

Carmen Planije  
Mid Ocean Brands B.V.  
Wellensiekstraat 2  
Ede, Gelderland 6718XZ Netherlands

Dear Carmen,

Through the UTrust® verification program, using Fiberprint® technology, Unifi is pleased to advise you that the following sample as referenced below has passed the REPREVE® Certification Standards:

Item Number: RPVML3503

Program: Mid Ocean development

Content Percentage: 100% REPREVE Recycled Polyester

Structure/Construction: Knit Circular, Jersey

Content Information: 1.4D X 38MM Repreve recycled polyester staple fiber

Applicant Information:

REPREVE® Certification Number: RPV-30467

Issue Date: September 5, 2023 Expiration Date: September 5, 2024

\*Note: This certification covers the period of one year. Re-certification is required for active programs on an annual basis.

Unifi Textiles (Suzhou) Co. Ltd. is excited to be working with your company and we look forward to additional new programs.

This certification is provided as of the date written above and for the sole and exclusive benefit of the recipient identified above, and it may not be relied upon by any third party. This certification relates only to the submitted sample identified above and does not extend to any other product(s) or material(s). This certification is void if doctored, mutilated, forged, or otherwise altered or amended in any respect.

UTrust® verification does not warranty the content or performance of any product beyond the submitted sample. *It is the responsibility of the Brand/Retailer to verify production orders have received the UTrust® Certification.*

Best regards,

Luka Yuan
